

## < Hiring of 2023 DNV Korea Summer Internship >

### 1. About DNV Group

[DNV](#) is the independent expert in risk management and assurance, with more than 12,000 employees from 115 nationalities working in 100 countries. Through our broad experience and deep expertise, we advance safety and sustainable performance, set industry benchmarks, and inspire and invent solutions.

We are the world's leading classification society and a recognized advisor for the maritime industry. We enhance safety, quality, energy efficiency and environmental performance of the global shipping industry – across all vessel types and offshore structures. We invest heavily in research and development to find solutions, together with the industry, that address strategic, operational, or regulatory challenges.

### 2. About DNV Maritime Korea

We opened Korea office in 1975 to support 7 chemical tanker projects with KSEC located in Busan which is one of the 1st export contracts of Korean shipyard.

DNV Korea Maritime BA is engaged in classification activities covering newbuilding, certification of materials and components, and vessels in operation, providing services to some of the world's largest and most technologically advanced shipyards in Korea. We provide plan approval of ship's newbuilding design and Joint development project with major Korean customers at Approval Centre Korea in Busan.
